BAREROOT SPOTLIGHT

Annabelle Smooth Hydrangea

Hydrangea arborescens 'Annabelle'

One of the most beautiful and popular hydrangeas with clusters of extremely large, white flowers up to 12" across. Its attractive dark green leaves and flowers make this a beautiful specimen plant for any garden.

#1

BENEFITS OF A #1 GRADE

- Quick to market in #5 containers for fall or spring sales
- Can be cycle pruned to extend sales
- Low input costs in production
