

Dream Catcher™

Kolkwitzia amabilis 'Maradco'

*Kolkwitzia
amabilis*

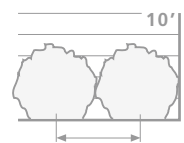

Beauty bush with season-long appeal

While most beauty bush fade into the background after flowering in spring, this delightful selection adds season-long color to landscapes. Dream Catcher *Kolkwitzia*'s golden foliage is colorful all summer, and develops a splendid golden-orange color in fall. This is an excellent choice as an understory planting as it looks its best in filtered shade.

- DEER-RESISTANT
