

# Fine Line®

*Rhamnus frangula* 'Ron Williams' pp#14,791

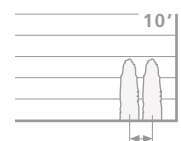

*Rhamnus frangula*

## Fastigate, non-invasive *Rhamnus*

A tremendous plant for container gardens and narrow spaces, Fine Line has a narrow habit that fits easily into landscapes. Fine Line is a non-invasive alternative to other buckthorn varieties; it produces very little fruit and has a very low (less than 3%) germination rate. Its fine texture, durable nature and narrow habit make it a tremendously useful landscape plant.

- DEER-RESISTANT
- VERY COLD-HARDY
- NON-INVASIVE
- PRUNING IS SELDOM NEEDED, BUT MAY BE TRIMMED IN FALL

- SIZE & SHAPE  
5-7' TALL  
2-3' WIDE

- SPACING 2-3'
- USDA 2, AHS 8
- FULL SUN / PART SHADE
