

Lo & Behold® ‘Purple Haze’

Buddleia ‘Purple Haze’ pp#24,514, cbr#4447

Outstanding non-invasive groundcover

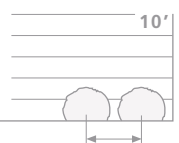

The unique horizontal, low-spreading habit and feathery, deep green leaves make it an excellent ground covering plant. Dark purple spires of blooms radiate outward and downward like a purple pinwheel. The fragrant flowers attract butterflies from mid-summer to frost without deadheading.

DEER-RESISTANT | NON-INVASIVE | BEST IN WELL-DRAINED SOILS
REBLOOMER | TRIM IN SPRING
