

Midnight Wine[®]

Weigela florida 'Elvera', pp#12,217, cbr#2643

Miniature

An extremely dwarf version of the classic Wine & Roses[®] weigela, Midnight Wine weigela is a perfect fit for the front of the border. It will produce a light crop of rosy pink flowers in spring, but the real appeal is its compact habit and dark foliage. It is a good non-prickly alternative to 'Crimson Pygmy' barberry.

DEER-RESISTANT | DWARF | TOLERATES CLAY SOILS
