

Pinky Winky®

Hydrangea paniculata 'DVPpinkie' pp#16,166, cbr#2889

Huge bi-colored blooms on sturdy stems

An incredible hydrangea with unique, two-toned flower heads in mid-summer. The 12-16" long flowers emerge white, turn pink, and continue to push new white florets from the tip of the panicle. The flowers are held upright on strong stems, and contrast nicely with the dark green foliage. It blooms regardless of climate, soil, pH or pruning. Use it as a specimen plant or to create a spectacular flowering hedge. Award of Garden Merit Royal Horticulture Society at Wisley Gardens.
