*Weigela florida* 'Bokraspiwi', pp#23,781, cbr#4655

## Low spreading habit

Spilled Wine Weigela has dark purple, wavy leaves and a spreading habit. Its hot pink magenta flowers are similar to those of Wine & Roses® Weigela, but this is a smaller plant that is wider than it is tall. It's perfect for filling in spaces in a sunny border, or used as a mass planting.
