**First Editions® Great Star™ Hydrangea**

Give your garden a little star power!

**St. Paul, Minn.** (Spring 2013) – If you're looking for a unique hydrangea, set your sites on First Editions® Great Star™ Hydrangea. This discovery, from the renowned French garden of Princess Sturdza, features giant, star-shaped flowers. The wavy, white florets can be up to 4-inches across! Best of all, this hydrangea will flower from mid-summer until the first hard frost.

Great Star makes a show stopping addition to your perennial garden. The creamy white flowers are easy to pair with any other flower color. Its unique shape and fabulous color will brighten any area of your yard.

**New for 2013:** Great Star Hydrangea is also available in tree form.
