**First Editions® Hawaii™ Hibiscus**

New hibiscus brings the islands to your garden.

St. Paul, Minn. (Spring 2013) – Say aloha to Hawaii, the latest edition to the First Editions® Hibiscus family. Hawaii joins Bali, Fiji and Tahiti offering hibiscus lovers four varieties that are as beautiful and exotic as their namesakes. These easy-to-grow plants offer stunning blooms throughout the summer and well into fall.

**First Editions® Hawaii™ Hibiscus**

*Hibiscus syriacus* 'Mingrand'

The blooms of First Editions Hawaii Hibiscus will have you envisioning tropical breezes and tranquil waters. The blossoms are a showy, true blue with burgundy accents. Blooming from July through September, this hibiscus is especially dramatic when planted in groups.

**Location:** Full sun

**Zone:** 5-8

**Flower:** Blue

**Height:** 5- to 8-feet

**Width:** 4- to 7-feet

**First Editions® Bali™ Hibiscus**

*Hibiscus syriacus* 'Minfren'

With its beautiful white blooms, First Editions Bali Hibiscus will grant a glimpse of garden paradise July through September. Its semi-double white blossoms are perfectly accentuated by a purple-red center and lush green foliage.

**Location:** Full sun

**Zone:** 5-8

**Flower:** White with purple red center

**Height:** 5- to 8-feet

**Width:** 4- to 7-feet

### **First Editions® Fiji™ Hibiscus**

*Hibiscus syriacus* 'Minspot'

First Editions Fiji Hibiscus will bring to mind beautiful exotic islands with its color and texture. The blooms start as a medium pink, then open to semi-double flowers that finally fade to a lighter pink hue. The deep red center dramatically highlights the delicate blossoms.

**Location:** Full sun

**Height:** 5- to 8-feet

**Zone:** 5-8

**Width:** 4- to 7-feet

**Flower:** Light pink with deep pink accents and deep red center

### **First Editions® Tahiti™ Hibiscus**

*Hibiscus syriacus* 'Mineru'

With its large, trumpet-shaped blossoms, First Editions Tahiti Hibiscus is sure to stand out in any garden. Its gorgeous semi-double blooms are a deep pink-purple accented with a dramatic deep red center. Tahiti offers a feeling of the tropics from July through October.

**Location:** Full sun

**Height:** 5- to 8-feet

**Zone:** 5-8

**Width:** 4- to 7-feet

**Flower:** Deep pink with red center

Look for First Editions Hawaii, Bali, Fiji and Tahiti Hibiscus in the purple pots at garden centers this spring.
