USING JUMPSTARTS[®] POTTED LINERS

Growing What's Next™

We understand your business because we are growers, just like you. With production programs from bareroot to potted liners to finished plants, our goal is to make it easy for you to partner with us.

An option for increased production flexibility.
Plant when you want to.

BAILEY | JUMPSTARTS®

JumpStarts®

Innovation comes in many shapes and sizes.

Initially developed for our own production needs, Jumpstarts® potted liners were only launched to growers like you after years of R&D.

- Hexagonal cells designed to reduce shock and stress
- 140 varieties including Endless Summer® Hydrangeas, First Editions® Plants, and Easy Elegance® Roses brands
- Convenient shipping options

Designed for fast finishing times
