

An outstanding selection of Red Maple, Red Sunset® stuns with brilliant orange to scarlet leaves in the early fall. Spring flowers, leaf stems, branch tips, and the fruits are all tinged red for a dramatic display year-round. The habit is upright and spreading in its youth, becoming pyramidal to rounded as it matures. The fast growth habit of this female selection makes this large shade tree an excellent choice for the landscape.

BENEFITS OF AN 8' GRADE

- Gives you a well-branched tree with symmetrical branching
- Ideal for a quick turnaround in a #10 container
