

Strawberry Sundae® is another outstanding selection from French breeder Jean Renault. This compact selection is similar to Vanilla Strawberry™ but much more compact. Flowers emerge creamy white in mid- summer and change to pink as night temperatures cool down. With its compact habit this hydrangea adds striking flowers to small spaces and is nicely proportioned for patio containers. The color lasts well into fall. Excellent for fresh cut and dried flower arrangements. Flower color varies based on climate and growing conditions. (CPBR #4609)
