

FUNKY FUCHSIA™ BUTTERFLY BUSH

Buddleia davidii 'PIIBD-II' PP26,278

USDA Hardiness Zone: 5-9

AHS Heat Zone: 9

Height: 6-8'

Width: 6-8'

Exposure: Full Sun

Shape: Rounded to Upright

Funky Fuchsia™ Butterfly Bush boasts dark green foliage, accented by gray beneath, and gorgeous rich reddish-pink blooms. The habit is more rounded and upright than others on the market, allowing the blooms to put on a show as they rise from the garden. The inflorescences are very upright and quite fragrant, providing loads of nectar for pollinators. Those showy flowers average 6-10 inches in length on vigorous shoots, holding them upright in the garden.
