EDITIONS

ASSORTMENT

Choose from over 140 varieties of shrubs, including popular varieties from Endless Summer® Hydrangeas, First Editions® Plants, and Easy Elegance® Roses. These quart sized liners, available in 15 count trays, are ideal for container or field planting.

SUPPORT

Your success is important to us, take advantage of culture and production tips in our grower guide and online. Need tags for retail sales? Order our full color tags that are designed to be silent sellers, full of relevant information for consumers, a full color photo, and more.

AVAILABILITY

Convenient shipping options make it easy for you to get the right amount of product when you need it directly from either Athens, Georgia; Cottage Grove, Minnesota; or Yamhill, Oregon.

THANK YOU

Contact your Bailey Sales Representative for more information about adding JumpStarts[®] to your lineup from the grower you trust.
