Vitex agnus-castus 'Bailtexfour' PP36,066

USDA Hardiness Zone: 5-9

AHS Heat Zone: 9

Height: 3.5'

Width: 3.5'

Exposure: Full Sun

Shape: Rounded

Violet Mist[®] Chasetree is a highly compact cultivar, maturing to only 3.5' tall and wide. Drought and salt-tolerant, Violet Mist[®] has a heavy load of blue-purple flowers in early summer, It will naturally rebloom after 60 days, adding to the floral display. The colorful flower spikes are a pollinator favorite, providing nectar all season long. In production, Violet Mist[®] is a vigorous grower that fills liners quickly, making the plant salable in record time. Bred at Bailey Innovations™.
