First Editions® DreamScape® Smooth Hydrangea represents a major advancement in pink Hydrangea arborescens, delivering value for growers, retailers, and landscapers. Bold 8-10” mophead flowers open ruby pink and ages to parchment pink, held upright on strong stems that withstand wind and rain. Dark green foliage stays clean in production, on the shelf, and in the landscape. With a uniform, mounded habit at 3-4’ tall and 4-5’ wide, DreamScape® is hardy in Zones 3-8 and adaptable to sun or part shade. Bred by Bailey Nurseries, it sets a new standard in the category.
