**Reasonable Alternative Standard:** Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact HR and they will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.
